EMERGENCY INSTRUCTIONS

Accident  Report the emergency. Give first aid. Stay with the victim.
Earthquake  Duck, cover, and hold on. Wait until shaking stops to evacuate.
            Do not use elevators. Buildings will be examined before re-entry.
Bomb Threat Report a threat or suspicious object. Follow police instructions.
Power Outage Most outages are resolved quickly. Wait for situation updates.

IF THERE IS AN EVACUATION

- Go to the nearest Emergency Assembly Point (EAP).
- Nearest EAP ________________________________
- Contact your out-of-area contact to report your status.
- Name ____________________________ Phone (   ) __________

Wait for instructions after an evacuation. Be patient. Listen to SU bulletins and updates on the Stanford Emergency Information Hotlines and on KZSU (90.1 FM), or check the emergency website for updates at http://emergency.stanford.edu. Make sure your contact information is available for use by the AlertSU emergency system. Go to http://alertsu.stanford.edu for more information.
